

## January 2024

### January 2024 President's Message

*For some 4,000 years, people have been making New Year's resolutions and they're always about self-improvement. Recently, the new HOBO Board of Directors met and did the same thing; how can we make Lake Jordan HOBO better? We have great ideas, but we need PEOPLE to implement these ideas. One of the things discussed is bringing back the printed version of the newsletter. It will be expensive, and we will need content, but HOBO leadership is going to see if it is feasible. We need a few volunteers willing to be contributing editors to our newsletter whether it's a hardcopy edition or electronic so if you have a little bit of Lois Lane in you, please consider helping! We also need a volunteer to be our 4th of July Boat Parade chairperson.*

*Volunteers are the ONLY reason the Lake Jordan HOBO exists, and HOBO would not exist had it not been for wonderful people like Barbara Dreyer who was instrumental in forming LJHOBO. There's no question that Mrs. Barbara loved our lake and was devoted to making it clean and beautiful. She was dedicated to HOBO until the end. **"Well done, good and faithful servant."***

**Kim Adams**

## **New President William Hartley**

William was born and raised in Montgomery. He went to Robert E. Lee High School and attended two years of business school. He is an active alumni of the REL Class of '65. He met and married Dee in 1972. They moved to Birmingham for nine years before coming back to Montgomery. In 2012 he and Dee purchased a lake house on Rays Cove, which he describes as a total dive, with the intent of having a place he could fish on week-ends. Renovations started immediately and they soon decided to move to Lake Jordan full time. They are still renovating and completing parts of the new addition. William is a true craftsman and millwork expert. If it's made of wood, he can build it.

William and Dee have two children, Ginger (Wade) Latham of Atlanta, and Sonny (Laura) of Pike Road. They have five grandchildren and seven dogs (a hodgepodge of rescues from various sources).

His hobbies include fishing, hunting and Alabama Football. William says he is excited about cultivating more friendships on Lake Jordan through HOB0.

## **Lake Jordan Home/Boat Owners Association**

### **Minutes of the Quarterly Membership Meeting**

**October 23, 2023**

The Lake Jordan Home Owners/Boat Owners Association Quarterly Membership Meeting was called to order by President Kim Adams at 7:00pm on October 23, 2023, at the Outdoor Basketball Court Pavilion at Camp Chandler on Lake Jordan.

Kim recognized and thanked Al Hannon with the Buyck Volunteer Fire Department for coming ahead of Haynes Life Flight helicopter to prepare the landing site. She also recognized and thanked Rusty Redden and John Wilson from Holtville Fire Department for their support in various HOBBO events. Commissioner Henry Hines was present and also recognized.

President Adams welcomed and thanked everyone for being there and declared that a quorum was present to conduct business.

Financial report prepared by Brett Wilkinson was presented by President Adams and included the following discussions: Excess funds from Lake Clean Up would be moved into the Scholarship Fund for a total of \$3,400. After discussion, Tim Owen made a motion to transfer the remaining funds from the cleanup to the Scholarship Fund, motion was seconded by several members and the motion was carried by unanimous agreement.

The Financial Report dated September 2023, showed an ending non-restricted cash balance of \$65,364.30 and a set budget to be approved January 2024 was discussed.

#### **Committee Reports**

Lake Safety – Dave Kowalski discussed buoys and new placements.

Fireworks – Ann Brantley and Alaina Starke were recognized as the new chairs of the Fireworks Committee. Nikki Miller and Jill Murchinson will be assisting them with t-shirt sales and ensuring a smooth transition.

Coosa River Basin/Environmental – President Adams gave a quick report in the absence of Committee Chairs Steve and Linda Mathies. Alabama Power did finish the rock weir upgrade and a redigging of the sand trap in the back of Sears Slough. County Commissioners have identified the source of the sediment in Sears Slough as a private property owner's retaining pond after a meeting with Engineers. Discussions of the ever-changing lake in slough growths and shrinkages continued as this issue is a concern for many homeowners.

Memorial and Worship – The speaker system at Bonner's Chapel and Boat Ramp needs an upgrade. Approval of a one-time increase to the budget not to exceed \$1,200 was approved for the upgrade. The system will be kept on-site in a secure facility.

## Minutes of the Quarterly Membership Meeting—Continued (Pg 2)

Guest Speaker – With the cooperation of Camp Chandler, Buyck VFD and Haynes LifeFlight crew, we had the opportunity to witness the aircraft land and shutdown for members to meet the crew and inspect the helicopter until they had to take off for a call. Alaina Starke, RN of Haynes Life Flight, presented information on patient treatment offered on the helicopter including Ventilation, Medicines, and Blood Product. Discussion of where the helicopter is capable of landing included the private field at Jones Corner and Driftwood, Church parking lots and the highway if necessary. The landing requirement of 100' x 100' for a night landing and 50' x 50' for a daylight landing and our VFDs are utilized to clear and prep the landing sites. Haynes has a LifeFlight program and Alaina explained the cost of the Life Flight and the membership program, which is \$75 yearly for a household.

2024 HOBO elections were approved with the following:

Respectfully submitted,

Peggy Harris, Secretary

## HOBO Calendars

We have some disappointing news about the 2024 calendars. Three calendar companies all agreed that most of our photos did not meet the recommended resolutions for printing. We decided to be good stewards of HOBO money and NOT spend \$1000-\$1400 on printing calendars if the quality is going to be poor. However, we will update the website/Facebook page each month with the appropriate winner and acknowledge them.

## Mrs. Barbara Dreyer

It is with great sadness that we report the passing of Mrs. Barbara Dreyer, founding President of the Lake Jordan HOBO. An excerpt from her obituary reads ***"Barbara served as the founding president of the Lake Jordan Homeowners and Boating Association. She was recognized by Auburn University and Alabama Power Company for organizing several lake clean-up projects and rallying the lake community to participate in holiday events and boating parades. Barbara initiated the naming and signage of Lake Jordan slews to assist emergency response teams in locating and identifying places of residence. Even though this was a huge undertaking requiring great effort, her determination and persuasive kindness rallied the support needed to get the job done."*** Rest in peace, Mrs. Barbara. We'll continue your legacy to keep our lake clean and beautiful.

## ***Next Lake Jordan HOB0 Meeting***

IMPORTANT CHANGES TO NOTE REGARDING MONDAY'S MEETING AT CAMP CHANDLER!

The next quarterly meeting will be held on Monday, January 29th at Camp Chandler.

Meeting will begin at 7pm.

The YMCA staff has informed us that construction has started at the dining hall and they cannot serve dinner. And because there is a wall missing because of said construction, we are moving the meeting to the indoor chapel. This is the first building on the right as you drive past the riding stables. Parking will still be in the same area.
