

LAKE JORDAN HOME OWNERS AND BOAT OWNERS ASSOCIATION

HOBONewsletter

JULY 2021

President's Message

Summer is always my favorite time of year, but this one feels a little more special as we celebrate the 30th anniversary of the Lake Jordan Homeowners and Boat Owners Association (HOBON). What began as a few concerned neighbors meeting in a living room in Blue Heron Slough has grown into a vibrant organization serving our lake community for 30 years.

The history of Lake Jordan HOBON is filled with community outreach and service projects such as the lake cleanup, annual 4th of July fireworks show and boat parade, water quality testing, water and boater safety initiatives as well as strengthening communication for lake residents and visitors. Through cooperation and teamwork, HOBON has accomplished great things, but we need the continued involvement of members like you who care about the quality of life here on Lake Jordan.

I especially would like to thank all those members who founded our organization and continue to serve today. As we celebrate the 4th of July, a few of our founding members including Ed and Barbara Dreyer, Michael and Betty Wood, and Ron Rudd will serve as honorary Grand Marshals for the 4th of July Boat parade on Saturday, July 3rd. We appreciate their service and dedication to our lake family.

In closing, this summer I encourage you to get to know your neighbor, take a few minutes to invite them to the next HOBON meeting, maybe take them that extra piece of cake or offer to help with that project they've been putting off! We are better when we work together to build relationships and strengthen our community.

I look forward to seeing everyone at our next meeting on July 26, 2021, at 7:00 pm at YMCA Camp Chandler. We will recommence having dinner served prior to the meeting. Dinner will be at 6:30 pm for a \$10 donation to YMCA Camp Chandler.

Thanks for all you do and for your support of the Lake Jordan HOBON organization.

Jeff

Meeting at 7:00 p.m. • Dinner at 6:30**

We're Back, Baby!!!!

Once again, the Lake Jordan HOBO Association's annual Lake Clean-Up resumed with outstanding results. On Saturday, April 17, 2021, HOBO members, community volunteers, and lake neighbors gave their time and energy by cleaning up Lake Jordan after an extra year off due to the pandemic.

A total of 3.36 tons of trash and debris was collected by over 150 volunteers. As usual, the vast majority of the trash retrieved was plastic water bottles, aluminum cans, abandoned trot line markers and damaged water floats, but also included a half-sunk paddle boat, a shattered No Wake buoy and too many old tires to count.

As with previous years, it took the efforts of many volunteers and sponsors to make this year's clean-up a success. A big "Thank You" to the Holtville-Slapout Fire Department for all their help on the day of the clean-up and to Alabama Power for their continued, annual support by providing trash bags, gloves, grabbers and t-shirts to our many volunteers. Our special gratitude is also extended to Advance Disposal for providing a compactor truck; as well as their crew's time and effort in weighing and hauling away the debris.

The HOBO Association would also like to express our deepest appreciation to Clean-Up Committee Chairs Alan and Brenda Basnight for their tireless effort throughout the year with planning and organizing this event and to our sponsors that make our clean-up a reality.

HOBO 4th of July Boat Parade

The Lake Jordan Homeowner's and Boat Owner's (HOBO) 4th of July Boat Parade will be Saturday, July 3rd at 10:00 am. This year we will be bringing back judging and awards. To be in the running for an award YOU MUST REGISTER. Upon registration, you will receive a follow up email with your number. Be sure to make your number large enough for our judges to see it from the banks. I'm sure we will have people who come out with no desire for an award. No problem just decorate your boat and meet us at the State Boat Ramp to fall in line behind the Holtville Slapout Fire and Rescue boat. We appreciate their support in leading the parade down the lake again for us this year. Remember this is a family event. If you do not want to decorate and participate then please come out and watch all the boats that go by.

REGISTER BY GOING TO <https://www.lakejordanhobo.org/4th-of-july-boat-parade.html>

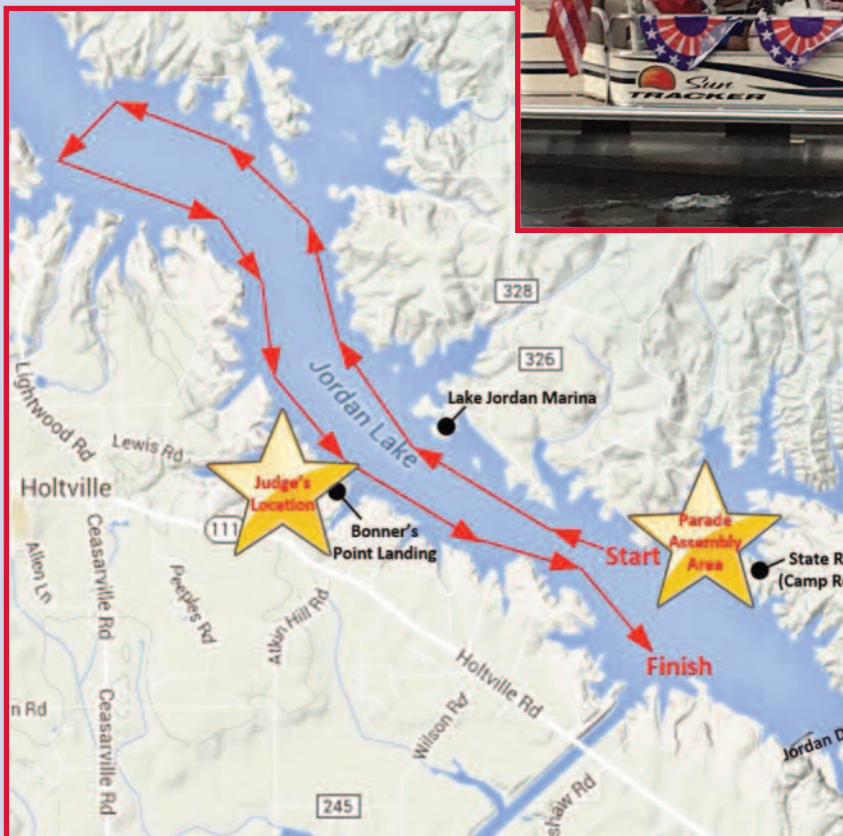

The parade departs the state ramp at promptly 10:00 am. If you are late, please join at the end of the line. The parade will go approximately 8 mph. Please keep a safe distance but not too far to not appear as a parade. The route will remain the same, start at State Ramp proceed up Titus side, then loop around at the opening to Blackwell's and go back down the Holtville side.

**SATURDAY,
JULY 3rd 2021 at 10:00 AM**

This year marks the 30th Anniversary of the Lake Jordan HOBO Association. We would like to honor the original members from 30 years ago and the initial start up for this great organization. We have asked them to act as Grand Marshalls for this year's parade.

There is no entry fee to participate, but we are asking for donations for Camp Wheeze-Away which can be made on our website at the time of registration.

Camp WheezeAway is offering week-long summer camps to kids age 8-12 suffering from moderate to severe asthma. This FREE summer camp program offered at YMCA Camp Chandler allows kids to experience all the fun of summer camp while learning confidence building skills in asthma management from medical professionals.

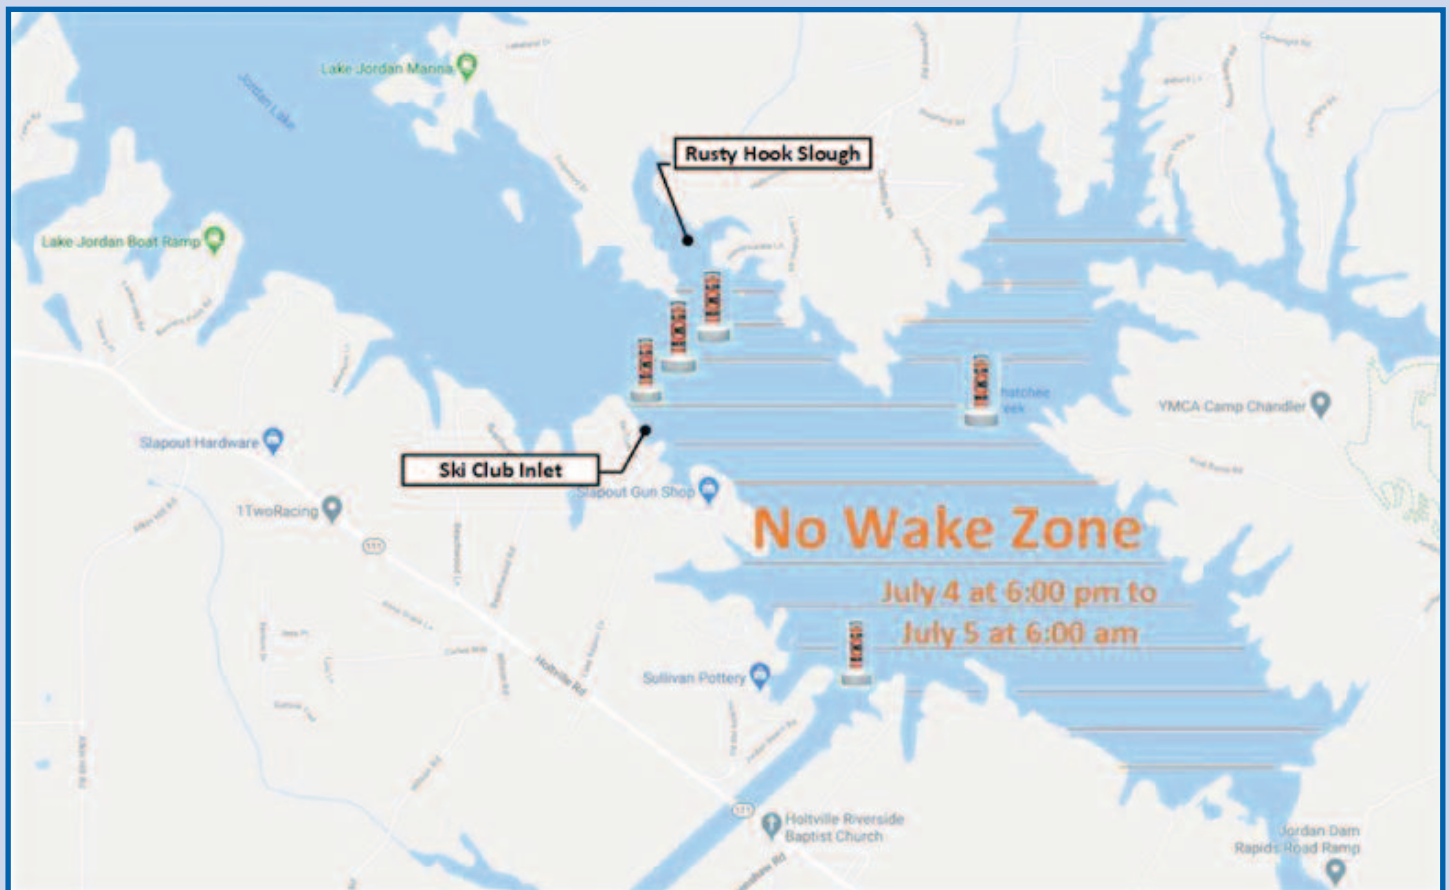

No Wake Zone for Evening of 3rd of July

A mandatory No Wake Zone will be implemented by ALEA Marine Police for the entire width of Lake Jordan from Lake Jordan Dam to Rusty Hook Slough and Ski Club Inlet from 6:00 pm on July 3rd, 2021 to 6:00 am on July 4th, 2021.

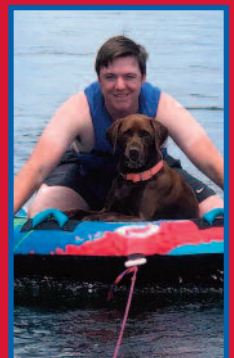

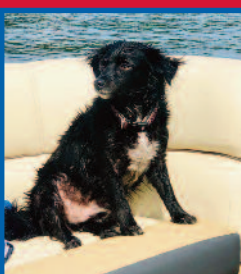

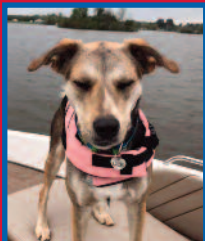

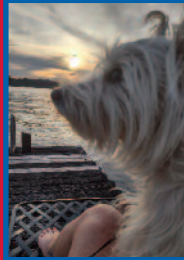

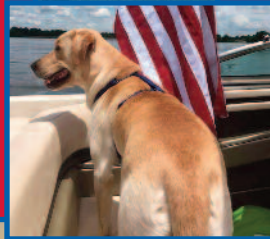

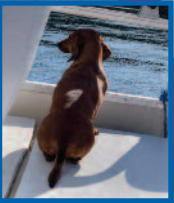

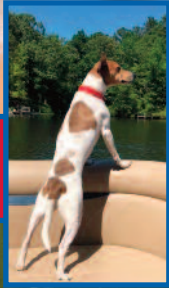

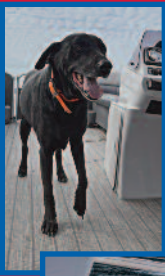

A “No Wake Zone” is an area within which vessels are required to travel at idling speed – slow

speed that creates no appreciable wake. All boat operators should use proper navigation lighting and not use alcohol while operating a vessel. ALEA also encourages the usage of personal flotation devices.

HSFD Chief Todd McCarley encourages all boaters and passengers to wear a personal flotation device (PFD) while in a boat at night.

WELCOME TO THE DOG DAYS OF SUMMER ON LAKE JORDAN

Splash! 5 Great Ways to Keep Your Dog Safe Around Water

Dog Checkups & Preventive Care

We all love lakes, the ocean, ponds, pools, and being on boats! And many dogs do, too. Here are a few water safety tips for your dogs:

1. Not all dogs are good swimmers.

In fact, some dogs don't swim well or naturally and can drown as fast (or faster) than a person. Don't assume your dog will take to the water and be able to stay afloat. Try them out in shallow water before a big excursion.

2. Preserve a life.

If you're out in a boat or raft, your dog should have a life preserver on – no exceptions! It not only will keep them afloat, it makes them easier to spot and gives you something to grab if they jump or fall in.

3. Sink or swim?

Dogs that are heavy on land are way heavier in the water when you're trying to pull them back into your boat. Make sure you can handle your dog out of your and their natural environments.

4. Keep your dog close!

Even dogs that swim well can tire very quickly, even faster than you, because they don't understand the concept of resting or treading water –

they just swim and swim, until they can't anymore. When swimming with your dog, don't let them swim too far away from you, because they could get into trouble quickly.

5. Don't force your dog into the water.

If your dog doesn't like the water, don't make them go in! It could scare them and won't be fun for them at all!

If you have any questions or concerns, you should always visit or call your veterinarian – they are your best resource to ensure the health and well-being of your pets.

Alabama Alligator Hunt Registration Now Open

The Alabama Department of Conservation and Natural Resources has opened online registration for its highly coveted alligator hunting tags. The tag will allow a group of hunters to take one alligator during the hunting season that begins in August.

The online registrations began June 1, 2021 and will continue through July 14 at 8 a.m.

Interested hunters can apply for a tag allowing them to hunt alligators in five separate zones across the state. A total of 260 non-transferrable tags will be awarded through a random computer selection process, and hunters who apply for tags year after year will have better odds.

Hunters can apply in multiple zones but can only be selected in one zone per year. The names of those who are selected to receive a tag, and some alternates will be posted on July 14 at 12 p.m.

The administrative fee to apply for an Alligator Possession Tag is \$22 and individuals may register one time per zone. While the tag is free, the selected hunters and their assistants are required to have valid hunting licenses in their possession while hunting.

Applicants who receive a tag must complete an online alligator training course before accepting their status as a hunter or alternate. If a hunter does not confirm their status by July 21 at 8 a.m., their tag will go to an alternate.

The hunting zones and schedules are as follows:

SOUTHWEST ALABAMA ZONE – 100 Tags Locations: Private and public waters in Baldwin and Mobile counties north of interstate 10, and private and public waters in Washington, Clarke and Monroe counties east of U.S. Highway 43 and south of U.S. Highway 84. 2021 Dates: Sunset on August 12, until sunrise on August 15. Sunset on August 19, until sunrise on August 22.

COASTAL ZONE – 50 Tags Locations: Private and public waters in Baldwin and Mobile counties south of Interstate 10. 2021 Dates: Sunset on August 12, until

sunrise on August 15. Sunset on August 19, until sunrise on August 22.

SOUTHEAST ALABAMA ZONE – 40 Tags Locations: Private and public waters in Barbour, Coffee, Covington, Dale, Geneva, Henry, Houston and Russell counties (excluding public Alabama state waters in Walter F. George Reservoir/Lake Eufaula and its navigable tributaries). 2021 Dates: Sunset on August 14, until sunrise on September 6.

WEST CENTRAL ALABAMA ZONE – 50 Tags Locations: Private and public waters in Monroe (north of U.S. Highway 84), Wilcox and Dallas counties. 2021 Dates: Sunset on August 12, until

sunrise on August 15. Sunset on August 19, until sunrise on August 22.

LAKE EUFAULA ZONE – 20 Tags Locations: Public state waters only in the Walter F. George Reservoir/Lake Eufaula and its navigable tributaries, south of Alabama Highway 208 at Omaha Bridge (excludes Eufaula National Wildlife Refuge). 2021 Dates: Sunset August 20, until sunrise October 4.

Each tag holder will be allowed to harvest one alligator during the season. There is no minimum length, except in the Lake Eufaula zone, where the minimum length is eight feet. The use of bait is prohibited. Hunting hours are sunset to sunrise, except in the Lake Eufaula zone where hunting is allowed day or night.

The DCNR says Alabama is believed to be the first state to limit alligator harvests, doing so in 1938. The American alligator was placed on the Endangered Species List in 1967 and removed in 1987. Alabama has allowed controlled alligator hunts since 2006. For more information or to register, see the Alabama Department of Conservation and Natural Resources website.

Go Fish, Alabama! Program Teaches Basics of Fishing

Have you ever wanted to learn the basics of fishing but didn't know where to begin? The Alabama Department of Conservation and Natural Resources' (ADCNR) Wildlife and Freshwater Fisheries Division (WFF) has developed a beginner fishing course just for you.

WFF's "Go Fish, Alabama!" program provides adults and families with little-to-no fishing experience an opportunity to fish under the guidance of a skilled fishing mentor. The program is for anyone interested in learning how to fish, socializing outdoors, putting fish on the dinner table, or simply enjoying the thrill of the catch. Each event is conducted in a safe, welcoming and constructive environment.

"The goal of the program is to highlight the benefits of spending time outdoors while learning about conservation, including the importance of purchasing a fishing license," said Justin Grider, WFF's R3 Coordinator (Recruitment, Retention and Reactivation). "When you purchase a hunting, fishing or Wildlife Heritage license, all of those funds are reinvested in conservation efforts throughout the state. Fisheries and wildlife man-

agement, habitat restoration, land conservation, public access to outdoor recreation, and state Conservation Enforcement Officers are just some of the ways your license dollars make Alabama

one of the best places in the country to fish or hunt."

During the events, all the necessary bait, equipment and tackle are provided. However, you will need to bring a cooler to take home your catch. The events take place at State Public Fishing Lakes, State Parks lakes, city lakes and other fishing desti-

nations throughout the state. For select events, a \$10 registration fee may apply. Online registration is required to attend.

To view the current Go Fish, Alabama! schedule or to register for an event, visit www.outdooralabama.com/GoFishAlabama.

The Alabama Department of Conservation and Natural Resources (ADCNR) promotes wise stewardship, management and enjoyment of Alabama's natural resources through four divisions: Marine Resources, State Parks, State Lands, and Wildlife and Freshwater Fisheries. To learn more about ADCNR, visit www.outdooralabama.com.

What's For Sale On the Lake?

Lake residents are always interested in what's for sale on the lake so they can tell their city dwelling friends and relatives. This column is available to all HOBO members with listings or property for sale on or near Lake Jordan. If you have a listing that you would like to appear in the next HOBO Newsletter, please send it to Marci Williams at marci.williams@yahoo.com. We hope this is a useful tool for home sellers and buyers alike.

Lake Jordan Home/Boat Owners Association Minutes of the Quarterly Membership Meeting

April 26, 2021

The Lake Jordan Home Owners/Boat Owners Association Quarterly Membership Meeting was called to order by President Jeff Royal at 7:00 pm on April 26th, 2021 at Camp Chandler on Lake Jordan.

President Royal thanked everyone for being there and declared that a quorum was present to conduct business. He welcomed everyone, and new members and guests introduced themselves.

A motion was made and seconded to approve the minutes from the January 25th, 2021 Quarterly HOBO Association meeting. The motion carried.

HOBO Treasurer Brett Wilkinson presented the Financial Report dated March 31st, 2021 with an ending non-restricted cash balance of \$37,213.39. He also had the 2020 year-end financial report available. Last year we had an increase in income over expenses of approximately \$4,700.00. Jeff reiterated that 82% of the funds that are received by the HOBO Association are given back to the community through support for the local fire departments, Camp Chandler, water testing program for Lake Jordan, etc. The financial statement outlines where all HOBO expenditures are made.

Jeff introduced the new director for YMCA Camp Chandler, Danny Lawless, and Camp Chandler Board Member, Lainie Cleghorn. On behalf of the HOBO Association, Jeff presented them with the annual financial contribution. The annual check is used to sponsor campers to attend the summer camp each year at Camp Chandler.

Committee Reports

Lake Clean-Up – Jeff commended Allan and Brenda Basnight for the outstanding job they did making the Annual Lake Cleanup that occurred on April 17th, 2021 a huge success again this year. Gayla Littlejohn reported that there were about 150 volunteers that participated and approximately 3.36 tons of garbage was pulled out of the lake. The Basnights asked Gayla to thank everyone who participated, and they look forward to seeing everyone again next year. If you would like more information on the annual event, please contact Allan and Brenda at 334 399-7370 or abasn379874@gmail.com or contact your area representative. Contact information for all area reps is listed in the Newsletter.

Water Quality – Judy May reported that the Alabama Water Watch is not ready to hold an in-person recertification class at this time. They are currently working on possibly having a virtual bacterial monitoring certification class. There are about a

dozen testing sites around the lake that are tested each month. Please contact Judy at frudymay@elmore.rr.com if you are interested in being certified.

Lake Safety – Dave Kowalski reported that the missing hazard buoys are in the process of being replaced by the Marine police. The mandatory No Wake Zone will be implemented by ALEA Marine Police for the entire width of Lake Jordan from Lake Jordan Dam to Rusty Hook Slough and Ski Club Inlet from 6:00 pm on July 4th to 6:00 am on July 5th. ALEA will be enforcing the mandatory no wake zone. Holtville Slapout Fire Department and ALEA Marine Police encourage the use of personal floatation devices (PFDs) for everyone while in a watercraft at night. Safety reminder – Please make sure all outlets near the water are GFI protected to prevent the possibility of electrocution.

Membership – Kim Adams was pleased to report that 2021 membership renewals are up to 230. We generally end the year with approximately 300, so we are off to a good start. Please send in your 2021 dues or go to the HOBO website www.lakejordanhobo.org and pay your dues online through PayPal. Please continue to encourage your neighbors to join or renew! Also, please consider adding a donation for the fireworks. All donations to the HOBO Association are tax deductible.

Fireworks – Fundraising for the 2021 July 4th Fireworks Show is going on now. Nikki Miller recognized and thanked the following 2021 Business Sponsors who had made contributions as of the April 26th meeting: Martin Collision, Greg Adams – Lake Homes Realty, River Region Boathouse & Docks, Diversified Alarms, Taylor Made – Reman, Little Things Embroidery, Signs to Go, Jimmy and Rene Petrey, Wetumpka Window Tinting, and Century 21 Brandt Wright Realty, Inc. If you are a business and would like to be a sponsor, please contact Nikki Murchison at nikkimurchison@gmail.com. Also, please contact Nikki if you would like to purchase a 2021 Fireworks t-shirt.

Memorial and Worship – Wayne Turner began by recognizing Jeff Royal for his outstanding service as President of the HOBO Association. The Sunday Sunrise Worship Service will start back on Memorial Day weekend and will continue every Sunday until Labor Day. This is a joint sponsorship between the HOBO Association and Trinity Episcopal Church. The attendance has significantly increased over the past year and Jeff reported that the Easter Service had about 190 people there.

HOBO Newsletter and Publicity – Please have all articles

for inclusion in the next newsletter be sent to her at marci.williams@yahoo.com by June 1st, 2021. Also, if you are interested in taking over the position of Editor of the HOBO newsletter, please contact Marci. Don't Forget – The Newsletter is available for view online at www.lakejordan-hobo.org.

Governmental Relations – Logan Gray reported that there are 5 days left in the Legislative Session and it will conclude on May 17th, 2021. There are a number of issues still to be considered including the budgets, medical marijuana, and gambling. There is also the issue of prison funding that may not be finalized in this session and will possibly bring us back into a Special Session. It was also made known that the census numbers were revealed, and that Alabama did not lose a House Congressional Seat.

Website – If you have suggestions for content to be included on the website, please contact Vanessa Royal.

Boat Parade Committee – The July 4th Boat Parade will take place on Saturday, July 3rd at 10 AM. It will start at the State Boat Ramp and will go as far as the mouth of Blackwell's Slough. Boats will be judged, and awards will be given to the Most Patriotic, Most Creative and Best Overall. There will be a Facebook page with a link to Register and a small fee to participate which will be donated to a charity. Your boat will be assigned a boat number when you register, and you are asked to make a sign with your boat number on it (posterboard sized) so that the judges can see it. Please contact Jordan and Danielle Adams if you have any questions about the July 4th Boat Parade or if you want to serve on the Boat Parade Committee.

HOBO Scholarship Committee – Gayla Littlejohn updated the membership about the HOBO Scholarship Committee. This Committee will focus on providing scholarships for students to use toward their college or trade school tuition. The goal is to give \$1000 Scholarships each to 2 upcoming seniors. The Committee is still working on the criteria and requirements needed to be eligible to receive the scholarship grant money. One of the requirements being discussed would be for the student to participate in HOBO Activities such as the Lake Clean Up. Gayla informed the membership about the 1st fundraiser that the Committee has planned which is a Boston Butt Sale for the Memorial Day weekend. Boston Butts will be \$35 and available for pick up the Saturday prior to Memorial Day at Bonners. Please contact Co-Chairs Jill Murchison and Gayla Littlejohn for more information. They also welcome anyone who is interested in serving on this committee.

Jeff reiterated the importance of getting involved in the HOBO Association and serving on committees. Participation of new people and fresh ideas is essential to the organization's success. Please consider getting involved and serving

on a committee. The HOBO Association needs you to step forward and help out!! The email addresses of the committee chairs are in the newsletter!

Jeff furthermore reminded everyone that we are the eyes and ears of Lake Jordan as far as being able to report invasive plant species such as hydrilla, lyngbya, etc. It is especially important to report these issues when sighted to Alabama Power to try to get it under control quickly. Contact Alabama Power via email at g2shorelines@southernco.com or call them at 205- 257-2599. You can also visit the HOBO website <https://www.lakejordanhobo.org> and click on the "Managing Aquatic Plants" link.

This is the 30th year of the Lake Jordan HOBO Association. Jeff recognized and thanked Barbara Dreyer who was present at the meeting and who has the distinguished honor of serving as the Association's First President and the founder of the Annual Lake Clean Up. Barbara is still an active member and serves as the Area 1 Rep. Thank you, Barbara, for your many years of continued service!!

There being no further business, Jeff Royal adjourned the meeting. The next meeting will be held on Monday, July 26th, 2021 at 7:00 pm (6:30 pm if you want to eat) at Camp Chandler.

Respectfully Submitted,

Joyce Wright
