

LAKE JORDAN HOME OWNERS AND BOAT OWNERS ASSOCIATION

HOBONewsletter

APRIL 2019

President's Message

Well, it's an exciting time to be on the lake and be a Lake Jordan Home Owners and Boat Owners member. The days are getting longer and the weather is getting warmer. We have a lot of events planned for this year and are thankful for all our members and support they give. Without you, this all would not be possible.

We are excited about spring and that means it's time for the annual lake cleanup. This year's will be April 27, 2019. We will be organizing the cleanup through our area representatives and our chairpersons, Allan and Brenda Basnight. Contact the Basnights at 334-399-7370 to offer your assistance. Area representative contact information is included in this newsletter. Let's make 2019 a record year! We would like to thank Elmore County Commission for their generous \$500 donation for the lake cleanup and they have also offered another donation of \$500 to assist with the food purchase for the cleanup. We appreciate our District 1 Commissioner Kenny Holt for supporting our organization.

Speaking of cleanup, thanks for our HOBON members for organizing a roadside cleanup on the Titus side. These great HOBON members stepped up and took action with their own hands! Read more about their efforts in this newsletter and about the February CPR classes hosted by Brenda Basnight. We plan to have more of these type classes in the future, including possibly a boater's safety course as well. Also, Jordan and Danielle Adams are already working on plans for this year's 4th of July Boat parade. Contact them if you would like to be involved in the planning or to help out.

Nikki Miller, our Fireworks Committee Chair, has been working hard in obtaining corporate sponsorships for our annual 4th of July fireworks show. We would like to thank Wilson Turf Farm, River Bank and Trust, TNT Outfitters, and Diversified Alarm Service for already stepping forward as corporate sponsors. Please let them know by thanking them for their generous support and supporting their businesses. If you own a business or know someone else who would like to sponsor this year's show, please contact Nikki at 334-318-9470 to discuss sponsorship opportunities.

After our January meeting, Lake Jordan HOBON met with Alabama Law Enforcement Agency's Marine Police to discuss the three missing hazard buoys in two critical locations. These buoys have now been replaced. In our meeting, we were advised that Officer

Corey Robinette is being assigned to our lake taking over for Officer Ty Ray, who recently retired. We are planning to have Officer Robinette at our next meeting on April 22nd to meet our members and address any safety concerns. The meeting will begin at 7:00 pm with a meal served at 6:30 pm for those would like to eat.

Picking Up the Pieces

Wetumpka, Alabama made national news on January 19, 2019 ... for all the wrong reasons. Homes, businesses, government offices and churches were among the many buildings badly damaged or demolished when tornadoes struck central Alabama.

The National Weather Service confirmed that the storm started near the river with wind speeds of 120-130 mph. This EF2 tornado covered 18.2 miles and had a maximum width of 700 yards with the blunt of the storm striking Wetumpka's downtown river-front area.

Wetumpka's historic First Presbyterian Church, built in 1856, was reduced to rubble; as well as, parts of First Baptist Church of Wetumpka and approximately 25 neighboring homes. The Wetumpka Police Department, senior citizens center and recreation center were also lost.

The "bright spot" of this horrific event was that there were somehow no fatalities or serious injuries reported. Among all the destruction, all life was spared.

Local first responders were immediately on the scene and took control of the chaos like true professionals. In the days that followed, first respon-

ders from across the River Region and volunteers from around the southeast flooded the city to offer helping hands and hope to our community. Local restaurants fed the masses without thought of profit's lost and financial support came pouring in.

The need is great and will continue for some time to come. If you would like to help, donations can be made through the Central Alabama Community Foundation's Wetumpka Tornado Relief Fund. This nonprofit, which is a River Region charitable foundation, started in 1987 and plans to use the donations to support immediate; as well as, long-term needs of citizens in Elmore County. Go to www.cacfinfo.org and click on "GIVE TODAY" or mail a check payable to CAFC, 114 Church Street, Montgomery, Al. 36104 and reference Wetumpka Tornado Relief.

More than thirty days out from this life-changing event, Wetumpka is still cleaning up but with visions of brighter days to come. Because of the people in our local community and the faith that was clearly on display following this storm, there is no doubt that Wetumpka will rebuild stronger than ever before.

4th of July Boat Parade to Return to Lake Jordan

Plans are in the works for our renewed tradition of the annual 4th of July Boat Parade on Beautiful Lake Jordan. Date and time to be announced soon on our social media pages. Get your creative juices flowing because if last year is any indication, competition will be tough!

Our thoughts are to charge a small entry fee this year or ask for donations to benefit Camp WheezeAway. Let's do some good while we have a blast!

To offer suggestions or your help with the parade, contact Jordan or Danielle Adams #334-303-2542.

Hey Lake Jordan!

The July 4th fireworks show is approaching. We need to raise \$10,000 for the show and it would be great to have the balance paid off early this year. Please consider donating using the link below or mailing it in. The 2019 fundraising shirts should be ready by April. We plan to have them for sale at the cleanup and the next HOBO meeting. LAKE CLEAN UP

CPR – Get Trained and Save a Life

On Tuesday, February 5, 2019, HOB0 member Brenda Hall Basnight, CRT, hosted two CPR classes at Camp Chandler for our members. Thank you to all who participated and made this first event a huge success. A total of nine (9) participants attended the 2pm class and eight (8) attended the 6pm class. So that's 17 more trained in CPR on our lake!

Basnight hosted this free event and asked in exchange for a donation to her charity *Camp WheezeAway* (previously featured in our October

2018 newsletter). Brenda and her husband, Alan, host Camp WheezeAway, a week- long summer camp for children ages 8-12 with moderate to severe asthma, each summer at Camp Chandler.

If you missed the classes but would like to make a donation to Camp WheezeAway, you can mail your donation to Brenda Hall Basnight, 233 Canal Road, Wetumpka, AL 36092 or Camp Wheezeaway c/o - Debbie Forbus at YMCA., P O Box 2336, Montgomery, AL 36102. All donations are tax deductible.

Lake Jordan HOB0's Support First Responders

The Lake Jordan HOB0 Association appreciates and supports our local fire departments and rescue squads for protecting the safety and wellbeing of Lake Jordan residents and guest alike. Annual grants were presented at our quarterly meeting in January to Brooks Gregg from Holtville/Slapout Fire & Rescue, TJ Hartley from the Titus Volunteer Fire Department, Brandon Glenn from Buyck Volunteer Fire Department and Ernie Pritchard from Search and Rescue of Elmore County (SARELCO).

Representatives were each presented with a \$1,000.00 check by HOB0 President Jeff Royal to assist in the maintenance and purchasing of new equipment. We cannot thank them enough for all they do for Lake Jordan.

Keeping Lake Jordan Beautiful

Thanks to our incredible volunteers who stepped up to help with cleaning the roadside litter leading to Lake Jordan on February 16, 2019. A great group of volunteers picked up trash and debris on Grandview Drive, Thornton Road, and Jones Corner Road all the way to Highway 231 on the Titus side.

A big shout out to Logan & Sandra Gray, Ron & Sunny Donaldson, David & Lynn Shows, Tommy Head, Charlotte Whetstone and Madison Andrews for organizing and participating in this cleanup effort.

Also, a big thanks to Kim Adams for her help getting trash bags and organizing the proper dis-

posal location of the litter and to Robert Rainey and Abby Ward for assisting with parking.

Hopefully these HOBO members can inspire us all to lend a hand in keeping our neighborhoods clean. And thanks to those who already do!

The Lake Jordan HOBO Association was officially established on February 12, 1992 with goals of enhancing recreational opportunities on the lake, improving the quality of life for residents and others that enjoy the lake, and to work with the Alabama Power Company, state and local government agencies to make the lake a safe and healthy place to live and play. We are a 501(c)(3) so all donations are tax deductible.

Our organization is growing each and every year and we couldn't be happier. A big welcome to our new members so far this year:

Lake Jordan Home/Boat Owners Association Minutes of the Quarterly Membership Meeting

January 28th, 2019

The Lake Jordan Home Owners/Boat Owners Association Quarterly Membership Meeting was called to order by President Jeff Royal at 7:00pm on January 28th, 2019 at Camp Chandler on Lake Jordan.

President Royal thanked everyone for the large turnout and declared that a quorum was present to conduct business. He welcomed everyone, and new members and guests introduced themselves. Jeff also recognized long time member and volunteer Barbara Dreyer who was celebrating her birthday.

A motion was made and seconded to approve the minutes from the October 22nd, 2018 Quarterly HOBO Association meeting. The motion carried.

HOBO Treasurer Tommy Counts presented the Financial Report dated December 31, 2018 with an ending non-restricted cash balance of \$37,487.71.

Discussion took place regarding the possibility of funds earmarked for the Lake Safety Committee being spent to replace missing buoys in various areas of the lake. It was determined the State Marine Police are responsible for providing and replacing the buoys and that the HOBO's responsibility is to inform them about dangerous areas that need to be marked.

The 2019 Lake Jordan HOBO Operating Budget was presented to the membership for review and approval. After a brief discussion, a motion to approve the budget as written was made by Gerald Hardy and seconded by Tim Owen. The motion carried.

The annual \$1000 checks were presented to local fire departments and Elmore County Search & Rescue that serve Lake Jordan and the surrounding areas. Representatives from Titus, Holtville and Buyck fire departments and the Elmore County Search and Rescue attended the meeting to receive the contributions for their departments.

Wes Anderson, a representative from Alabama Power's Water Management and Environmental Affairs Division was present at the meeting to talk about the Alabama Power Aquatic Vegetation Program and the non-native invasive (bad) aquatic plants (Water hyacinth, Water Lettuce, Watermilfoil, and Hydrilla) some of which have been seen in Lake Jordan. Hydrilla has been found in the Walter Boulden Dam area of the Lake and is currently being treated by Alabama Power

to prevent spreading. However, treatment is very costly. Water Lettuce has also been seen in various parts of the lake. If you see water lettuce floating on top of the water, it can be easily destroyed by pulling it out of the water and thrown on dry land. It cannot survive on the land. If you see any suspicious vegetation, take pictures, get GPS coordinates of where it is located and call 205 257-2393. To help keep invasive plants from entering Lake Jordan, it is very important to thoroughly rinse boats and boat trailers after removing them from other lakes and prior to putting them into our Lake. A very common non-harmful aquatic plant known as Water Willow exists throughout the Lake and can also be treated and removed. For all aquatic plants concerns, please call Alabama Power at 1800 Lakes11 or for more information, please visit <https://apcshorelines.com/aquatic>.

Along with the Aquatic Management Program, Alabama Power's Water Management and Environmental Affairs Division also oversees the Mosquito Control Program, Fish Habitat Enhancement Program and the Alabama Power Renew Our Rivers Program. Wes was excited to report that 16 million pounds of trash and debris have been removed from Alabama's water ways and lakes during the 20 years that the Renew Our Rivers Program has been in existence.

Brenda Basnight was recognized to give an update on the upcoming CPR class. Two classes will be held at Camp Chandler on February 5th, with the 1st class starting at 2pm and the 2nd class starting at 6pm. Email Brenda at brendabasnight@yahoo.com if you are interested in participating. There is no cost to attend the class, however, a donation to Camp WheezeAway (a camp sponsored by Brenda Basnight for kids with asthma) is appreciated.
