HOB NEWSLETTER

OCTOBER 2018

President's Message

By the time you read this newsletter, the summer of 2018 will be behind us and hopefully you have made full use of the fall drawdown to complete all your shoreline improvement projects. From our April meeting, during Alabama Power's presentation, we understand the next scheduled drawdown will not occur until 2023.

We truly had an exciting summer this year on our great lake. We were fortunate to once again sponsor the Lake Jordan's 4th of July Fireworks Show with the help of our Fireworks Committee Chair, Nikki Murchison Miller, and many great sponsors. It was a wonderful show and I hope you were able to enjoy the holiday and the festivities surrounded by friends and family.

Thanks to many great volunteers, we also were able to revitalize the 4th of July Boat Parade after a 22-year absence just in time to celebrate Lake Jordan's 90th birthday. We had an incredible turnout with over 40 boats in the parade and they were cheered on by onlookers from both the water and shoreline. A special "Thank You" to the Holtville/Slapout Fire & Rescue boat for leading the parade and their continued commitment to serve our lake.

Finally, please put October 22nd on your calendar for the next meeting of the Lake Jordan HOBO Association. The meeting is scheduled to begin at 7:00 pm with a meal being served at 6:30 pm for those desiring to eat dinner. Please plan to attend.

Thank again!

Jeff

Lake Jordan's 4th of July Boat Parade Returns with Record Turn-Out

Following a 22 year drought, the Lake Jordan HOBO Association proudly revived a previous Lake Jordan tradition – the 4th of July Boat Parade. On Saturday, June 30th, at 4 pm over forty (40) amazingly creative boats and personal water crafts gathered at the State Dock (Camp Rotary) to kick off the upcoming holiday. Led by the Holtville/Slapout Fire & Rescue boat, the parade

traveled up the Titus, Alabama side of the lake to the entrance of Blackwell's slough and then turned

around to return down the Slapout side to the entrance of the canal.

Judges Shannon Smith (Slapout), Nicole Dudley (New Lake) and Marci Williams (Titus) had an extremely tough job of narrowing the field down to the three winners; Most Patriotic, Most Creative, and Largest Flag.

Thank you to all the participants, volunteers, judges, Holtville/Slapout Fire & Rescue and Search and Rescue of Elmore County for joining in on the fun!

The parade was such a hit that Lake Jordan HOBO Association has already formed an official committee for next year to keep this renewed tradition alive and well! #we♥our lake #lakejordanboat-parade #lakejordan4thofjuly #lakejordanfamilyfun

Fabulous 4th of July fun

If I heard it once, I've heard it at least a hundred times "This year's fireworks and 4th of July on Lake Jordan has been the best yet!" You just can't get better feedback than that. A very special "shout out" and THANK YOU has to be given to Nikki Miller, Fireworks Chair, for her tireless effort to make this year's show truly outstanding. Her non-stop fund-raising efforts has clearly put her into a league all her own.

The Lake Jordan HOBO Association proudly sponsors the annual fireworks show on the 4th of July, but it's not an easy task. The

show is a huge financial obligation for our organization unless our members, local community and business owners step up and pledge to keep the fun alive. Nikki truly led the charge this year to renew our commitment to this worthwhile event and we couldn't be happier with how it turned out.

It's never too early to start tackling the budget for next year's show. Please consider a donation to the Fireworks Fund when you renew your HOBO membership in January. Every dollar counts and adds a little sparkle to our skies!

Lake Jordan Worship Services at Bonner's Point

Thank you to Trinity Episcopal Church and to all the wonderful worship leaders that volunteered their time and talents each Sunday at Bonner's Landing this season.

Weekly services will resume next year, Memorial Day weekend through Labor Day weekend, on Sunday mornings beginning at 8:00 am.

Are You Really Licensed to Drive a Boat?

You may have passed the test and have a certificate, but that doesn't mean you're licensed to drive a boat.

A new driver's license, issued at a local office of the State of Alabama's Department of Motor Vehicles, is required for legal operation of a vessel by an Alabama resident over the age of 14. The license must include the vessel designation – a "v" in the upper right corner above the expiration date to be valid. If you don't have a license to drive an automobile, you have to have a card issued by the DMV to drive a boat. Without it, you are in viola-

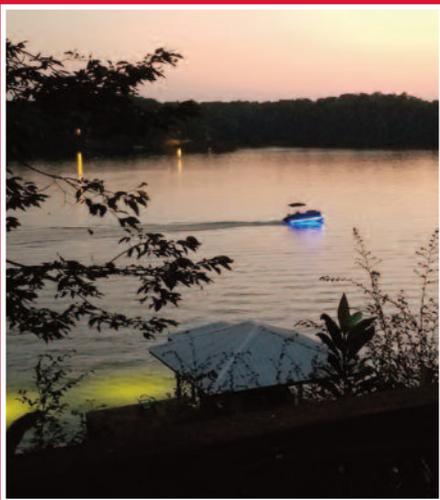

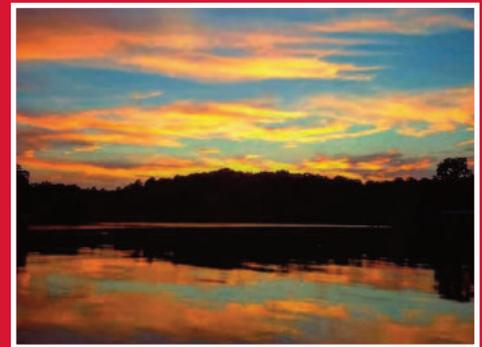

tion of the law and could be cited. The fine for operating a boat without a license is set by the county in which the citation is written, so the amount is different for each county.

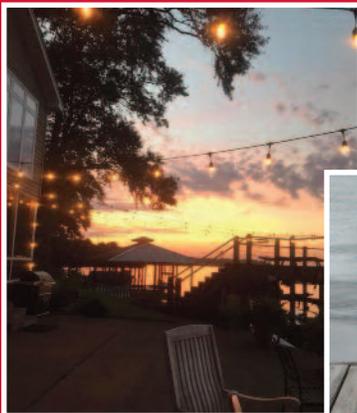

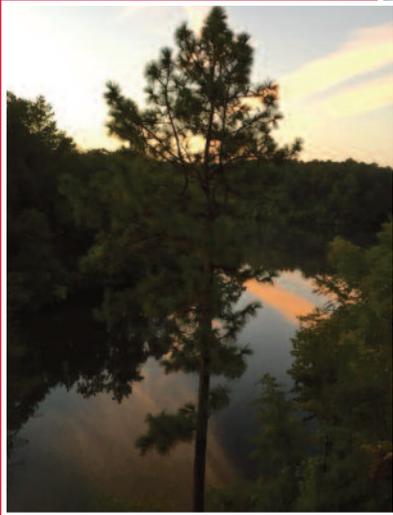

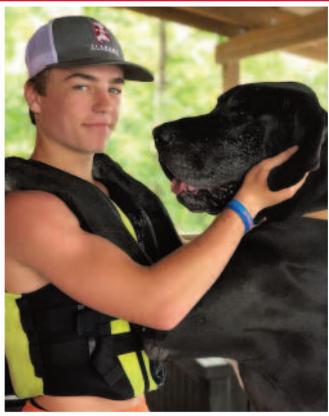

Out of state residents over the age of 14 may operate a motorized vessel in Alabama for up to 45 days per calendar year. After 45 days, valid proof of boater safety certification – either from Alabama or the home state is required.

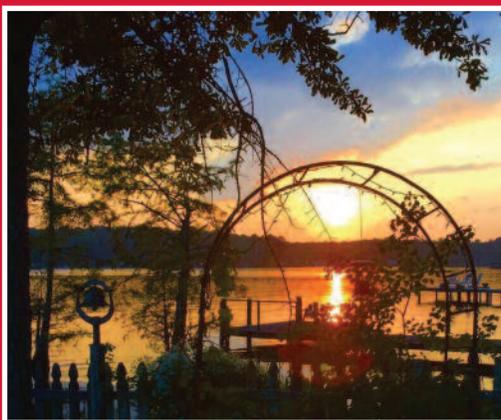

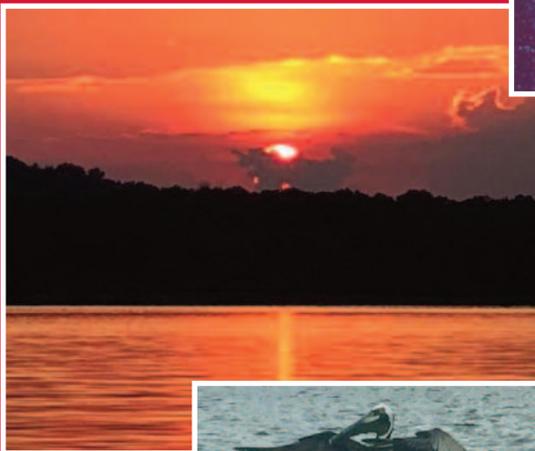

For more information about boating license requirements, visit www.alea.gov.

Beautiful Lake Jordan
Summer 2018

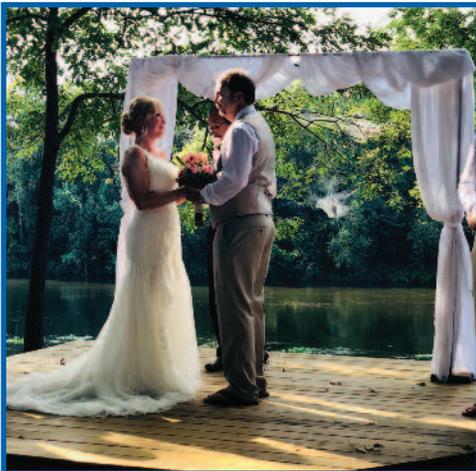

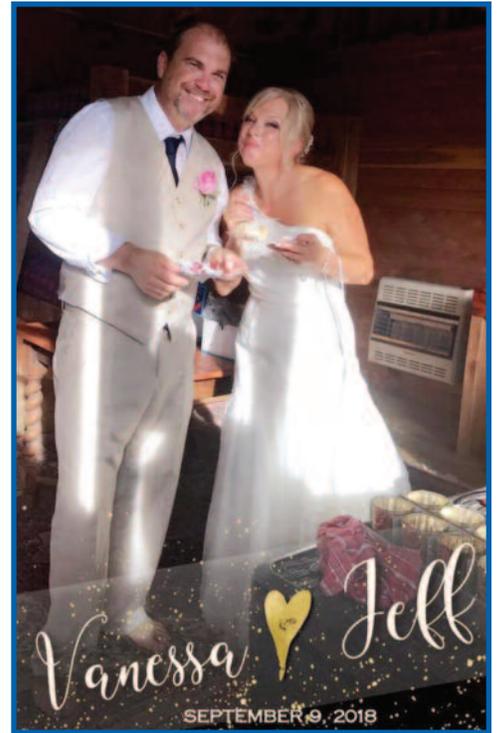

The Royal Wedding

It is with great pleasure that we announce the recent nuptials of Lake Jordan HOB Association President Jeff Royal and his beautiful new bride, Vanessa Snead Royal. Jeff and Vanessa joined their lives and their families on Sunday, September 9, 2018 in beautiful, downtown Wetumpka overlooking the river. Friends and family from near and far celebrated the happy couple and enjoyed ice cold beverages and a delicious taco bar (their favorite) catered by Grumpy Dog. The celebration was capped off with an armadillo groom's cake and a beautiful wedding cake handmade by the bride herself. After honeymooning in Jamaica, the "royal couple" will return to Beautiful Lake Jordan to live happily ever after.

She said Yes!

An Unexpected Day on the Lake

At approximately 7:30 am on August 22, 2018, the Holtville/ Slapout Fire & Rescue squad responded to a motor vehicle accident involving a vehicle that left the roadway and entered the waters of Lake Jordan. When ground units arrived at the scene, the subject(s) were reportedly safe and already out of the water. Boat6 arrived on the scene and remained on the scene until divers could arrive to float the vehicle. Boat6 assisted with towing the car to Blackwell's landing to be retrieved by a wrecker.

Thank you HSF D for your quick response and service to our lake!

Lake Jordan Home/Boat Owners Association Minutes of the Quarterly Membership Meeting

July 23rd, 2018

The Lake Jordan Home Owners/Boat Owners Association Quarterly Membership Meeting was called to order by President Jeff Royal at 7:30pm on July 23th, 2018 at Camp Chandler on Lake Jordan.

President Royal declared that a quorum was present to conduct business. He welcomed everyone, and new members and guests introduced themselves.

A motion was made and seconded to approve the minutes from the April 23rd, 2018 Quarterly HOBBO Association meeting. The motion carried.

HOBBO Treasurer Tommy Counts was unable to attend the meeting. Jeff Royal presented the Financial Report dated June 30, 2018 with an ending non-restricted cash balance of \$37,283.54. A motion to approve the financial report as written was made and seconded. The motion carried. Jeff recognized Nikki Miller and the successful 2018 Fireworks show. The fireworks fund is in the black due to her outstanding fund-raising efforts.

Committee Reports

Lake Clean-Up – Alan and Brenda Basnight thanked everyone for the great turnout and the hugely successful Annual Clean Up. The date for the 2019 Annual Clean Up is tentatively set for April 27th, 2019. Alan brought up a concern that campers are leaving trash at the canal area when they leave. He reminded everyone to pick up extra trash during the lake drawdown. He will let the membership know if extra dumpsters can be provided during that time. Also, there is trash pick up for big loads on the 2nd Saturday of Odd Months at various locations in Elmore County.

Water Quality – Judy May reported that the recent water testing results have shown that there is no E Coli present in the Lake.

Lake Safety – Dave Kowalski reported that the buoys that are missing at the north side of Weoka Creek have been ordered and will be replaced by the marine police in the near future. He reminded everyone to be careful while boating during the water drawdown. Dave also suggested that checking all wiring under docks while the water is down is a good idea. Make sure that all wiring is GFI protected and that existing GFI protected outlets are still working properly.

Fireworks – Nikki Murchison Miller thanked everyone for their support by giving donations, purchasing t-

shirts, hats and signs. She further thanked all the business sponsors. Nikki is now fundraising for the 2019 July 4th Fireworks Show. If you are interested in being a sponsor or if you have fundraising ideas, please let her know.

Membership – There are 265 paid memberships so far in 2018 with 30 of those being new members. That's 11 more paid memberships than last year. Please continue to encourage your neighbors to join or renew! Dues can be paid on the HOBBO website through PayPal or by check made payable to Lake Jordan HOBBO Assoc. and mailed to P.O. Box 431, Wetumpka, AL 36092.

Memorial & Worship – Wayne Turner reminded everyone that the Bonners Point Sunrise service continues through the Labor Day weekend.

HOBBO Newsletter and Publicity – Please continue to send in topics, articles and/or suggestions to Marci Williams at marci.williams@yahoo.com for inclusion in the HOBBO Newsletter. Don't forget the newsletter is available for viewing online at www.lakejordanhobo.org.

Website – If you are tech savvy or a quick learner, the HOBBO Association is looking for someone to carry on the duties of keeping the HOBBO website updated. Our current webmaster, Sharon Massey, who has done an awesome job keeping the website updated for many years now and is planning to retire from the position. If you are interested, please let Jeff Royal know. Until further notice, if you would like anything posted to the website, please let Sharon know. If you are not receiving HOBBO Association emails and you wish to, please visit the website at www.lakejordanhobo.org and click on the "Join Our E-Mail List" link.

Jeff recognized Logan Gray who reminded everyone who is having work done on their property to please ask the contractors to dispose of their trash appropriately. Ask them to put trash in containers instead of throwing it out on the side of the road or in the back of their trucks where it can fly out.

After 22 years, the July 4th Boat Parade was restarted this year, and it was a huge success with 45 decorated boats participating. Jeff established a Boat Parade Committee to organize the parade each year and Jordan and Danielle Adams will chair the annual

event.

Henry Hines, the Lake Jordan HOBO Area 12 Representative, informed the membership that his son is an experienced diver and may be able to look for and recover an item if you drop it into the lake. Please call Henry if you need his son's help.

The \$50 Raffle drawing was held. Congratulations to the winner, Casey Miller.

There being no further business, Jeff Royal ad-

joined the meeting. The next meeting will be held on Monday, October 22, 2018 at 7:00 pm (6:30 pm if you want to eat) at Camp Chandler.

Respectfully Submitted,

Joyce Wright
Secretary
